

RENDEZVOUS ROUNDUP

UPDATES ON TETON VALLEY'S ANNUAL MOUNTAIN BIKE FESTIVAL

August 29 - September 1, 2014

Try off-road downhill hand cycling at Grand Targhee!

Experience adaptive outdoor recreation at Wydaho Rendezvous 2014

Join Quadriplegic outdoorsman Joe Stone, of the **Joe Stone Foundation**, together with Jake O'Connor of **Reactive Adaptations** <http://www.reactiveadaptations.com>, and members of the **Teton Adaptive Sports** <http://tetonadaptivesports.com> community for 4 days of recreational rides, fun, demos, music, food, and more. We will be a part of the TVTAP Wydaho Rendezvous this Labor Day weekend **August 29 - September 1, 2014**.

We are very grateful and pleased to announce that TVTAP and WYDAHO Mountain Bike Festival will waive the registration fee for all Adaptive participants.

We will be sharing info on what our respective foundations are doing to change the way society views people with disabilities. We will have some of the latest technology in adapted gear on hand and explain equipment design and innovation, and why it is so important that people with disabilities have the opportunity to get back into the mountains and the outdoors.

We invite you to come try out the gear, join us for fun group rides, downhill flow trails, clinics, and opportunities to socialize with other outdoor enthusiasts and explore the great accessible trails in throughout Teton Valley, ID.
